Please note:

You have not completed the Training Course until you see the “Congratulations!” page. Following the quiz for Session #3 is one final summary video by Pastor Brad. Be sure to click through to the final certificate which states you have completed the Facilitator Training, and shows 100% on the report dashboard.

Facilitator Training Manual and Fresh Hope Book Readings

The training course includes readings from the *Fresh Hope* book and the Facilitator Training Manual. A copy of the book was included, and a digital download of the Training Manual was provided with the Starter Kit to be shared with all who train.
