Letter of Recommendation – Pastor

Fresh Hope is a peer-to-peer support group in which members encourage one another as equals under the guidance of a facilitator. The purpose of Fresh Hope is to empower those with mental health challenges and their loved ones to live a full, rich, and faith-filled life in spite of having a mental health diagnosis.

Fresh Hope is not intended to replace professional treatment such as therapy and prescribed medications when needed. Rather, Fresh Hope serves as a supplemental support and information system so that members and those who love them might develop tools to help them manage their illness on a daily basis in order to live with dignity and hope in Christ. More information may be found at www.FreshHope.us.
